

Where can I camp and sit at night?

Camping and sitting at night are permitted on the bank next to Khor Al Hajar.

Please follow these guidelines:

1. Barbecues are allowed on the designated grill only, never directly on the sand.
2. Dispose of charcoal properly: put it in a rubbish bin once it has cooled down.
3. Do not leave your waste on site; put it in the designated place.
4. Dim, low-level lights are allowed, but switch them off when you do not need them.
